We will take a look back at the previous year and spend some time understanding the goals and objectives of the Order from all stakeholder perspectives: staff, members, advisors, parents, and alumni. Once understood, you'll be able to begin legislating and making decisions that best achieve the united vision of all of these constituencies.

What are TEEN PRIORITY sessions?
Teen priority sessions are workshops focused on AZA and BBG's five top priorities as reaffirmed by the International Executive Body in February 2012. Each session will offer tangible initiatives and easy to make "next steps" at the Council, Regional – and most importantly – chapter level of AZA and BBG. You should feel free to engage in dialogue and participatory discussion in each of these sessions; the more involved you are, the more successful we'll be with the implementation of these priorities.

10:15 AM — TEEN PRIORITY: Expanding Stand UP Within and Beyond BBYO — Ballroom
Stand UP provides a platform for the tens of thousands of members of our Movement to make a difference. In the year ahead we'll amplify AZA and BBG's philanthropic, service and advocacy efforts. There is much to repair in the world, let's get to work.
