Leadership Philosophy

We are what we repeatedly do. Excellence, then, is not an act, but a habit.

This year, producing excellence and reaching success will be more than a pursuit. Everything will emanate perfection, and success will become a habit.

ADVOCATE FOR LEGISLATION ON GENOCIDE EDUCATION IN SCHOOLS

Today only five states in the United States mandate education over The Holocaust (Florida, New Jersey, Illinois, California, New York). As we are the last generation that will be able to hear from Holocaust survivors, it is urgent that we ensure generations to come will be informed. Together, we will mobilize efforts to pressure State Legislature to necessitate teaching of the world's largest genocide.

INTEGRATING WHEELCHAIR BASKETBALL AND INTERNATIONAL AZAA

By partnering with The Special Olympics, we will restart Joint Region AZAA competitions. Further, the day before IC, each region will be allowed to send one team to represent them and compete in an International Wheelchair Basketball Competition.

REINVIGORATE AND SUPPORT MARATHON MADNESS

Along with the continuation of Dance Marathons, Color Runs will exist as an alternative to BBYO's Global Initiative Marathon Madness. Color Runs will be another option for regions who would prefer, or think them to have a greater ceiling for success than Dance Marathons. Fundraising will continue in a similar manner where participants ask for pledges and sponsorship from friends, family, and others.

CULTIVATE RELATIONSHIPS WITH MACCABI WORLD UNION - RECRUIT FOR 2017 INTERNATIONAL MACCABIAH

We will develop strong communicative ties with Maccabi World Union. Further, we will work with them to send 1,000 BBYO teens to International Maccabiah 2017, commemorating the 50th Anniversary of the Unification of Jerusalem. A strong partnership with Maccabi World Union benefits both parties as we can rely on them for support and vice versa.
