

# ILTC

@ Perlman Camp, Lake Como, PA

June 26 – July 13, 2014 // \$2,800 // 10th - 12th grade

**International Leadership Training Conference, ILTC**, is designed for AZA and BBG members who want to shape their community and are, or aspire to be, council, regional or International leaders. At Perlman Camp, teens strengthen their leadership skills and learn new ideas and tools to implement at home. At the end of ILTC, participants have expanded their AZA and BBG network to include teens from around the world and know how to build and lead a teen movement and navigate the path towards becoming involved with BBYO Internationally.

## What You Can Expect from BBYO's Member Experiences:

- + All AZA and BBG member programs are staffed by BBYO professionals, volunteer advisors and Jewish educators who work with teens on the chapter, regional and International level year round.
- + All programs are designed to support BBYO's model of pluralism; teens are able to plan and celebrate Shabbat and Jewish observances in the way they are comfortable and all meals are kosher.
- + BBYO Summer Experiences welcome a community of teens from across North America and our international communities to ensure that teens build a diverse network of lifelong friends.
- + Transportation is provided from the designated airport to the program location.

## What are they doing?

- + Learning by doing, whether it is galvanizing support for a cause, fundraising, planning a program or leading a Shabbat experience.
- + Working as groups, developing teamwork skills and a community of peers.
- + Building the world's largest Jewish teen movement at the International level.

## What are they gaining?

**Confidence as a leader and public speaker; the ability to work across communities with peers and adults; personal character as a community role model.**

**Questions? Email [bbyosummer@bbyo.org](mailto:bbyosummer@bbyo.org).**

**Q:** What should I expect at ILTC? Isn't CLTC the same thing?

**A:** "ILTC takes you even deeper into the world of teen leadership, on both a local and global scale. At ILTC, you will learn how to lead programs that engage both younger and older members and how to connect to members of the Order all over the world. You'll come home with leadership skills that go far beyond BBYO and will help you in both school, future employment and life."

- Danielle Wagner
