

Kallah

@ Perlman Camp, Lake Como, PA

July 14 – August 3, 2014 // \$2,950 // 10th - 12th grade

Kallah offers a meaningful Judaic experience where teens are given the opportunity to explore their Jewish identity and engage with spirituality, culture and religion. Teens are introduced to the variety of ways they can connect to Jewish life no matter what their interests are. No topic is off limits, and no opinion is taboo, when participants learn as much from their teachers as they do from each other.

What You Can Expect from BBYO's Member Experiences:

- + All AZA and BBG member programs are staffed by BBYO professionals and Jewish educators who work with teens on the chapter, regional and International level year round.
- + All programs are designed to support BBYO's model of pluralism; teens are able to plan and celebrate Shabbat and Jewish observances in the way they are comfortable and all meals are kosher.
- + BBYO Summer Experiences welcome a community of teens from across North America and our international communities to ensure that teens build a diverse network of lifelong friends.
- + Transportation is provided from the designated airport to the program location.

What are they doing?

- + Developing a custom schedule of sessions where teens explore their interests and learn from peers, Jewish thought leaders, rabbis and educators.
- + Interacting with Jewish life through cutting-edge programming and traditional and modern texts, literature, music, the arts and cooking.
- + Learning how to lead peers and support AZA and BBG programming as a Jewish leader.

What are they gaining?

Poise as a Jewish teen leader and the ability to create new traditions; a uniquely personal and special connection to Jewish heritage; a network of individuals and organizations who are leading the way in building amazing Jewish experiences.

Q: What if I don't think I'm religious enough or know enough about Judaism to go to Kallah? What if everyone else is more religious than me?

A: "The beauty of Kallah is the opportunity to ask anything you've ever wanted to know, to have the conversations about the things you've never understood, and to find your connection with Judaism. Every single teen there is on a journey to learn something new, and "not being religious" is never a focus."
