Supplies

Whether you're running Installs & Extalls at a business meeting, State, or sleepover, make sure you don't forget to bring these things:

Gavel

Your BBG Pins

This packet (if you need it)

Enough candles for all the incoming and outgoing board members

A lighter

Foil or cups to catch wax

Camera

Tissues!!

How to Extall

Getting Ready

First of all, take a deep breath. You've put your all into your time as N'siah and this is the end of the road. This is the next big step for your chapter and YOU are the one helping them continue forward and Move Mountains!!

Give each of your current board members a LIT candle and have them line up in descending board order (i.e. S'ganit, then Morah, etc.)

The Fun Begins

Start with your lowest board position, holding your gavel and candle. Here we go...

N'siah: "By the power vested in my by BBYO inc., I officially relieve you from all the duties and responsibilities of (chapter)'s ___ term (position)."

****Tap the gavel on her heart (and on her butt, depending on tradition) and have her blow out her candle.****

Repeat this process until everyone (besides you) on the old board is extalled.

Two N'siot in the House!

Getting Ready

At this point, you should call up the newly elected board, give them an UNLIT candle, and have them line up in descending order (i.e. new N'siah, S'ganit, Morah, etc.).

Installing Her

N'siah: "By the power vested in me by BBYO inc., I officially install you to all the duties and responsibilities of (chapter)'s ___ term N'siah.

****Light her candle, then tap her heart (and butt, depending on chapter tradition) with the gavel. Hand over the gavel, and pin her with the N'siah pin (if your chapter has one)****

Extalling You

New N'siah: "By the power vested in me by BBYO inc., I officially relieve you from all the duties and responsibilities of (chapter)'s ___ term N'siah.

****Have her tap the gavel on your heart (and butt, depending on tradition) and blow out your candle.****

Installs

For the New N'siah

Start with your highest board position (i.e. S'ganit, then Morah, etc.), holding your gavel and candle.

N'siah: "By the power vested in my by BBYO inc., I officially install you to all the duties and responsibilities of (chapter)'s ___ term (position)."

****Tap the gavel on her heart (and on her butt, depending on tradition) and use your candle to light her's.****

Repeat this process until everyone has been installed! Don't forget to have her install you as the new Madricha!!

What to do now

You are a Rockstar

Congratulations!! You just did the last thing you will ever have to do as Chapter N'siah this term. Never forget that you are now, and always will be, a

damn proud B'nai B'rith Girl!!!

For the New N'siah

Add her to the "N'siah Network of Mountain Region" Facebook group and give her your files. Make sure that everyone else on your board does the same for their successor. Remind her that you're always there to help out if she ever needs it; that's what a Madricha is for!!

Submitted with undying love for Kiviat BBG, Mountain Region #47, installs, extalls, becoming rockstar Madrichim, and the International Order of the B'nai B'rith Girls, I forever remain
